### President's Report

#### Are We Working For Candidates?

I came across this story about our schools and teaching history. It is told by Beth Lambright, a descendant of the Mayflower Pilgrims.

"In November 2011, I [Beth Lambright] was met at the front door by a school principal in Corvallis, who wanted to question me before I entered to be a re-enactor and tell the Thanksgiving story in an accurate and historical, yet fun and age-appropriate, way. Dressed as my 9X-great-grandmother Elizabeth Fisher Hopkins, I had been speaking to multiple public and private schools, as well as adult historical societies and genealogy groups. But in 2011, as I arrived at this school, the principal was worried that I would say something about the Pilgrim ancestors being 'religious,' or that I might have a spiritual message of some kind—a message that she deemed would be clearly 'inappropriate' for them. Once she was satisfied that I had come to relay history, she said, 'The only reason I'm letting you in this classroom is that YOU ARE A REAL DESCENDANT OF THOSE PEOPLE!'"

"Has Thanksgiving become too controversial to teach children? The teaching of U.S. history has become a hotbed of controversy, and our country is very divided on what themes a history curriculum should include and who should be the arbiters of textbooks and curriculum."

As MRWF President, I ponder the following questions: What if we have come to the place that the only people who will be allowed to share the history of the Mayflower journey and early Plymouth colony are the ancestors of those "First Comers" or Native Americans? Do we know the Pilgrims' story? Are we prepared to elect people who uphold our principles? Are we working for candidates?

*Mary Grove, President*

### Membership Report

Wow, May already! The year is flying by, and we are all ready for maskless, sunny days of spring.

There are still a few members who have not renewed their membership, and we sincerely hope that we have not lost you. The good news is we have quite a few new Regular and Associate Members who have joined our ranks. We do want all 'past-due' memberships paid so we keep up with last year numbers. The annual roster is in the works and will be out soon. We want to be sure that you are in it. Let me know if there are any changes.

As others undoubtedly have reminded you, our annual fundraiser for *New Day for Children* is on June 8th. These events have a lot of moving pieces and require advanced planning help, as well as help on the day of the event. I am encouraging those of our wonderful members who have time to volunteer to help with the event. You can find a Volunteer Sign Up for this event and other projects on our website.

Our dues are \$45 for regular members and \$25 for associate members (members of another Republican Women's Club, citizens other than US, and Republican men). The application is in the newsletter as well as on our website under the Join Now tab. [www.marinrepublicanwomen.com](http://www.marinrepublicanwomen.com).

Mail your application to Elise Vitale, 75 Kipling Drive, Mill Valley, CA 94941

Thanks for your continued support.

*Chris Baer and Elise Vitale, 2nd VP, Co-Membership*

#### Memorial Day's Importance to American History

Memorial Day is a time to reflect, remember the men and women who sacrificed for our country, on the principles upon which America was founded and on our role to protect those principles for future generations. No one was better at articulating this than President Ronald Reagan.

Reagan's 1982 Memorial Day speech was among his most poignant. Delivered at Arlington National Cemetery, Reagan zeroed in on the personal cost of fighting for freedom. These two paragraphs are from that speech.

"The United States and the freedom for which it stands, the freedom for which they died, must endure and prosper. Their lives remind us that freedom is not bought cheaply. It has a cost; it imposes a burden. And just as they whom we commemorate were willing to sacrifice, so too must we—in a less final, less heroic way—be willing to give of ourselves."

"I can't claim to know the words of all the national anthems in the world, but I don't know of any other that ends with a question and a challenge as ours does: Does that flag still wave o'er the land of the free and the home of the brave? That is what we must all ask."

*Anne Brenneis – Veterans Project*

#### Satellite Club

We are all grateful to Jane Maushardt for hosting our April Satellite Club. As usual, we brought wonderful goodies to share, and everyone felt better at being able to vent about the sad situation of our beautiful country. We all sure hope it ends soon with a rejuvenation of everything: the economy, the border, the situation in Europe, the gas fiasco, AND our embarrassing president. I could continue but that would blemish the enjoyable evening we all spent together. It really does serve as a friendly way to blow off our frustrations.

We also discussed our upcoming fundraiser on June 8, 2022 and our goal to raise \$10,000 for our beneficiary, *New Day for Children*. This organization finds and helps American sex-trafficked kids, some of them under the age of 10. It is so sad to think wicked people are preying on these innocent children. Please keep June 8, 2022 on your calendar. Let's help raise awareness and money for this worthwhile project.

*Beverly Erbel – Satellite Chair*

### Voter Registration April Report

On Saturday, April 9th, we did another Voter Registration at the Village and it was a beautiful day. We even got a little sunburn. There were lots of people and dogs. I took my little Lexie with me. We met with some wonderful Republicans from Sonoma and a Marin person who may become a new MRWF member. Most people passing by were unfortunately Democrats, but they were "nice Democrats." We didn't convert anyone but it was a very pleasant day overall. We will do this again in September, just before the General election. Please contact me if you are able to come and sit with us and greet people and let them know that there are indeed Republicans in Marin County!

*Bonnie Stevens, Voter Registration Chair*

### Election June 7, 2022 Primary

### Legislative Report

By Ruth Holly – MRWF Legislative reporter

**Action:** Call your **Assemblyman Marc Levine** 916-310-2010 AND your **State Senator Mark McGuire** 916-651-4002

#### “Red rum, red rum” \*

\* phrase from the movie *The Shining*

**AB 2223** seeks to protect women and their agents following the death of a fetus (gestational age greater than 20 weeks) or of an infant in the undefined “perinatal period” due to undefined “pregnancy-related causes.” Currently, California law only allows an abortion after viability if the life of the mother is in danger. The county coroner is charged with investigating the cause of fetal death after 20 weeks of gestation unless the cause of death was a legal abortion. The proposed law would prohibit a coroner’s statement as to the cause of fetal or perinatal death to be used to bring a criminal or civil case “against any person.” This bill would legalize late-term abortions and infanticide under the guise of reproductive privacy and must be opposed. California mothers can surrender a newborn infant at a hospital, police department, or fire station with no questions asked under the Safely Surrendered Baby Law. AB2223 was passed in the dead of night on 4/19/2022 by the Assembly Health Committee. It was referred to the Appropriations Committee and then will be on the floor for a vote by the entire Legislature. Follow the progress of this bill here: <https://www.californiafamily.org/ab2223/>

#### Big pharma knows best updates

**AB 2098** designed to silence physicians who oppose official narratives was passed along party lines by the Assembly Committee on Business and Professions on April 19.

**AB 1797** which would create a centralized vaccine registry remains under consideration. Assembly Health Committee hearing tentatively rescheduled for week of 4/25/2022.

**SB 1479** which mandates a Covid testing plan for every institution that cares for children passed the Senate Health Committee and has been referred to the Senate Education Committee.

**SB 1390** which targets social media “misinformation” is scheduled for a hearing in the Senate Judiciary Committee.

**SB 866** which allows minors to consent to vaccination, **SB 871** which mandates Covid 19 vaccination for school age children, **AB 1993** which mandates the Covid 19 vaccine for employment, currently have no scheduled hearing. **SB 1479** which requires police to enforce public health edicts had scheduled a hearing on 4/27 in the Senate Education Committee.

The California Department of Public Health will not require Covid 19 vaccinations for K-12 school attendance before July of 2023.

#### The visible hand

**AB 2932** is a misguided attack on businesses under the guise of raising wages. The bill would force some companies that employ greater than 500 people to decrease the work week to 32 hours while maintaining the same level of pay. This is currently under consideration in the Committee on Labor and Employment.
