11:30am – 12:30pm

Speaker: Orlean Koehle

Activist, Author, Eagle Forum State Past President

Topic: The General Election November 3, 2020 and the California Propositions

Orlean Koehle is the author of ten books. Two small booklets she has written about elections are:

- *Why the Electoral College*
- *The Rigged System - Widespread Election Fraud in the USA.*

She will be addressing some of what is in these books as she speaks about the November 3rd Election, California Propositions and encourages us to vote in person at the polls to avoid the election fraud that comes with mail-in ballots.

Orlean is presently working on two other books that she plans to have published by the end of August and will bring with her to the meeting. They are about the crisis we see going on in our nation today: *Unmasking the Masquerade, the Pandemic for Loss of Liberties and Turning the World Upside Down - a Tale of Two Viruses.* The second book is: *Lifting the Mask on Black Lives Matter and Upholding the Thin Blue Line.*

Orlean is proud of the Marin Republican Women who have figured out how to still hold meetings in this crazy world around us and is looking forward to being part of our meeting on Sept. 23rd via Zoom.

Join us for a deep-dive in to the upcoming General Election and the twelve California ballot measures which are always a challenge with deceptive verbiage which is deliberate and designed to fool us, the Voters.

Presidents' Report

We hope you all have had a great summer irrespective of the current circumstances. In the midst of all the craziness, we hope you were able to get outside and enjoy the season with family and friends, those gifts for which we are most grateful.

Wow! We live today in a country that is certainly not what it was when 2020 began. How can this have happened so fast? We started with an economy that was "floating all boats" – the highest employment numbers in history (for all groups), real pay increases (for all groups), increased opportunity and upward mobility (for all groups). Things were really promising for more Americans than in any recent time.

Move now to high unemployment, widespread bankruptcies, out of control anarchy and violence in the mostly Democrat run big cities, demands for defunding and closing down law enforcement, schools closed, teachers unwilling to teach unless all charter schools are closed and "Medicare for all" is passed, (you'd think they're kidding but they're not), governors declaring unconstitutional new "laws" on Twitter, government health organizations, hospitals and the media reporting fake numbers on virus deaths to cripple society with fear, thousands of convicted criminals let out of prison while citizens are fined and arrested for not "social distancing," fist fights among strangers over wearing face masks. It goes on and on. Not one Democrat official has denounced any of this. Feels like a parallel and terrible universe from the one we lived in in January.

President Trump's vast successes panicked the Left to where they have really pulled out all the stops, including a desperate, failed attempt at impeachment. Hopefully, rational people, and we think most Americans are, will see what lies ahead under the now fully exposed Leftist agenda. Are the chaotic conditions they have created throughout the country, with their strategy of Divide-Divide-Divide, those that most citizens

approve of or desire? We do not think so.

This is certainly the most important election ever. Donald Trump has a great chance of winning if the election is fair. Write all the officials you know to **protest mail-in voting**, help with voter registration, and volunteer to work at the polls and the registrar's offices before and after the election. **We really have to win this one!!!!**

Jane Maushardt and Kathryn Thompson, Co-Presidents

Membership Matters

Welcome back everyone! I know that most of us are still waiting for spring and summer to happen, as we have been on hold for so long. Still waiting for the day that we can take reservations for our in-person meetings and luncheons. I am writing this having just this morning been part of the Trump 2020 and Walk Away rally on the Golden Gate Bridge. What an uplifting experience to be surrounded by like-minded individuals, inspiring, no masks, no social distancing... protected by the CHP. It was a very diverse group of people and totally peaceful and uplifting until Antifa showed up. It was wonderful to see the support of our amazing president here in our backyard. I could feel the Walk Away and the Red wave that is coming!! It was electric and inspiring. We all need to keep talking, keep sharing, and get out the vote in a few short months.

As you talk to people, encourage them to join our club. Our regular membership for the year is \$40 and associate membership dues are \$25. Associate members are women who belong to another Republican Women Federated club, Republican men, and non-citizens. Membership forms can be found in this newsletter or on our website. Click here www.mrfw.org, then click on Home tab. We continue to appreciate your commitment to MRWF.

Trader Joe's Rejects Blackmail

** From a piece by Gerald McOscar, American Thinker, 8/20/20*

In July, a 17-year-old high school senior posted an online petition calling Trader Joe's racist for its whimsical labeling of food brands with witty ethnic terms like Trader Joe's Mexican foods.

At first, the grocery chain publicly surrendered to the woke teenager and apologized for the sin of "romanticizing Western imperialism and fetishizing non-Western peoples" and announced that TJ's was phasing out its ethnic brands. But smarter minds prevailed, and TJ's management reversed the earlier surrender saying, "We make decisions

Americanism

based on what customers purchase, not on social media petitions."

It is tempting to dismiss the culture-canceling mobs as clueless innocents lacking self-awareness. Yet they are also foolish and dangerous. Each time these privileged, over-educated, jack-booted know-nothings silence a voice, ruin a life, extinguish a dream, shutter a business, or shatter a monument, the foundational customs, values, and institutions that made America exceptional are compromised. Every person and business of goodwill must not cower nor give in to these dangerous fools.

VETERANS

The San Francisco VA Hospital is happily accepting books, DVDs, and new lap blankets, socks, shoes, and other clothing, especially warm stuff. The hospital no longer accepts used clothing.

The Veterans Home in Yountville seeks playing cards, puzzles, puzzle books, handkerchiefs, ball caps, and non-perishable snack foods like chips, soup cups, Vienna sausages, candy, and popcorn.

Both facilities can always use stamps and stationery.

Donations can be brought to any of our meetings and are tax deductible if you include your name and address with the items. Pick-ups outside of meetings can also be arranged. Questions? Please call Anne at 415-302-0330.

VOTER REGISTRATION

Our next Voter Registration effort will be in September 2020 before the General Election. This month get in to 'Action'. Here are three assignments that MRWF members need to be active in:

- 1) Volunteer with 4 other MRWF's to walk one precinct – hang door hangers, talk to residents.
- 2) Volunteer to call Marin Republicans - the mission is to get-out-the-vote. We need all 20,000 of these registered Marin Republicans to vote on November 3, 2020.
- 3) Army For Trump sign up to make phone calls.

News - Election - Internet

8/19/2020 – Opinion section, Lewistown News-Argus

Dear Editor,

In just 73 days we will have the presidential election. Not the end of the world, but could be the end of our nation as we have known it.

Conferring with friends, I (we) have concluded . . . I am not voting for a man, a party or a personality. At this point, I am voting for one thing and one thing only. I am voting for a vibrant economy. I am voting for the right to keep and bear arms. I am voting for the freedom to worship. I am voting for a national recognition of the founding of our nation on Biblical principles. I am voting for the ability for anyone to rise above their circumstances and become successful. I am voting for my children and grandchildren to be able to choose their own path in life. I am voting for our borders to be open to everyone who enters lawfully and closed to everyone who would circumvent or ignore the law. I am voting for the Electoral College (brilliantly conceived by our founding fathers) to remain in place, so that a few heavily populated liberal centers do not control the elections. I am voting to teach history, not to erase, revise or destroy it. I am voting for the right to life from conception.

I will also be voting against open borders. I am voting against a rampant welfare system that enslaves its recipients. I am voting against socialism, in all of its forms, including health care, redistribution, reparations, and governmental control. I am voting against the vandalizing, burning, looting of buildings and statues (other people's property). I am voting against pedophilia, and criminal releases . . . It would be better to pay for prison reform than see the criminals released to commit more crimes that cost us so dearly.

If after reading this list, it becomes clear to you that one party aligns with these values and the other is very much opposed, you might want to vote the same values. Thank you, and may God Bless America.

Kirk Eastman, Lewistown, Montana

News - Call Legislators Levine/McGuire

Call our Marin representatives. Ask them to lobby the Governor and urge him to veto this bill.

SB145 has reared its head again (Weiner, D-SF). It passed and is on the Governor's desk. Just what parents want: it decriminalizes men having sex with your boys.

Read about it in this article by Sally Zelikovsky in American Thinker 8/15/2020. https://www.americanthinker.com/blog/2020/08/will_california_go_pedo.html

November 3, 2020 General Election California Ballot Measures

News - Call Gov. Newsom now

This egregious bill, AB 2218, is on his desk waiting for him to sign it in to law.

Call him: 916-445-2841. Ask him to veto AB 2218 (and SB145).

It passed in the Senate on 8/29 and in the Assembly on 8/30/2020. McGuire and Levine voted 'Aye'. Its next step, before it becomes law, is the Governor's signature.

[AB 2218 \(Santiago, D-Los Angeles\)](#) would create a new state fund for nonprofits, hospitals, clinics, and other medical providers that support access to puberty blockers and hormone treatments for minors that may pursue gender reassignment, among other services.
